

85695

## Magnet holder

### Product variant

85695-000-55 - black

### Data

<b>Material</b>	plastic
<b>Type</b>	black
<b>Weight</b>	0.12 kg

This practical mounting device allows the Mighty Bright Light XtraFlex, Double Flex, Duet2 and Pedal Board Light to be used freestanding. With the integrated magnets the holder can be attached to all metal stands. The rubber supports and the practical attaching clip are additional intelligent features.
